

Copyright Agreement

1. The undersigned hereby grants the Fraunhofer Competence Field Additive Manufacturing the following rights of use to his/her work:

a) To reproduce and distribute it in electronic form at the Fraunhofer DDMC 2025 conference, especially using the procedures for distribution of the work as a flash drive, CD-ROM, or e-book.

b) For online publication, especially the electronic / electro-optical reproduction and distribution of the work in its own or external online databases.

c) For reproduction and distribution as a Fraunhofer ePrint.

The rights are granted as non-exclusive rights without geographical limit.

2. The undersigned warrants that the work and his/her presentation are original and that he/she is the author of the work and the presentation. To the extent the work and the presentation incorporate text passages, figures, data or other material from other authors, the undersigned has obtained all necessary permissions to grant the license above. If the Author is responsible for shortcomings in the work (such as errors in content or meaning, or printing errors), he shall hold Fraunhofer free from guarantee and compensation claims by third parties. Furthermore, the Author shall hold Fraunhofer free from any claims by third parties who have assisted in preparing the texts and illustrations and in creating the manuscript.

3. Finally, the undersigned confirms that he/she has the power and authority to make and execute this form. For jointly authored works the signing author signs as authorized agent for the others.

4. The 10 best conference papers of Fraunhofer DDMC 2025 will be published in a [special issue of the Springer Journal "Progress in Additive Manufacturing"](#). Please note, you are obliged to refer to the guidelines of Springer Nature, otherwise your paper could not be selected.
